

INTERIOR SUGGESTIONS

Whole-house brief : palette | finishes | furniture | lighting

GF : Warm Contemporary Indian | FF : Warm Modern Luxe

PROJECT

Owner : Ganesh Prasad D
Location : Chitradurga, Karnataka
House : 2-floor, North-facing main entrance
Floors : GF (11 ft ceiling) + FF (10 ft ceiling)
Style anchor: existing teak windows (preserve, no paint)
Hero space : double-height living, 16'9 x 11' void
Document : v1.0 - 2026-05-06

HOW TO USE THIS DOCUMENT

1. Hand this PDF to the interior contractor as the brief. Every paint, tile, fabric and wood decision is here in one place.
2. The colour palette uses HEX codes. Bring the PDF to the Asian Paints / Berger / Dulux dealer and ask for a fan-deck match against each hex.
3. Always paint a 2 ft x 2 ft sample on the actual wall and view at three times of day BEFORE approving any paint colour.
4. The two floors share a neutral base (warm ivory) so they read as one home, not two themes.
5. Any deviation from this brief must be agreed in writing with the homeowner.

1. Style Direction

Ground Floor - Warm Contemporary Indian

Calm, premium, practical, not flashy. Teak windows already supply strong warmth - the surrounding palette stays lighter to avoid a heavy brown room. Layered lighting (cove, downlight, accent, decorative). Sunken living floor with brass step inlay. One large vertical chandelier in the double-height void. Microcement / travertine / fluted teak TV feature wall on the West side.

Material vocabulary : warm ivory walls + warm greige stone + teak + dark walnut accents + antique brass / champagne hardware + oatmeal upholstery + sage / rust / brass cushions.

First Floor - Warm Modern Luxe (Japandi-with-luxe-accents)

Moodier, richer materials than GF - Japandi bones with travertine + walnut + brass accents. Bedroom 2's North wall (already locked) is full-height honed Italian travertine cladding with two floating walnut shelves and a height-adjustable walnut-top desk. Bedroom 1 is lighter, sage-accented, no false ceiling. Both bedrooms get the same warm ivory walls and share the GF tile flow.

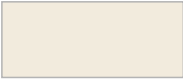

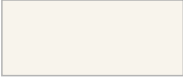

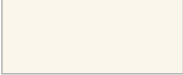

Common Thread

Warm ivory base everywhere | no cool whites | no high-gloss surfaces | layered lighting (2700 K everywhere except kitchen/bathrooms) | one metal vocabulary per zone | brushed gold / champagne brass for all visible hardware | matte black for exterior + step-edge L-profiles only.

2. Whole-House Neutral Base

Three colours appear everywhere - walls, ceilings, skirting - and tie the house together. Pick these first, paint samples on actual walls, then build the accent layers.

BASE

	Warm Ivory	#F2EBDD	Asian Paints 0125 'Ivory Touch' or 7942 'White Sand' - all interior walls
	Soft Snow	#F8F4EC	Asian Paints 7857 'Snow Storm' - all ceilings
	Warm White	#FAF6EC	Asian Paints 7860 'Almond Frost' - door frames, skirting

>> Painter's rule

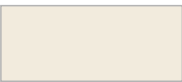

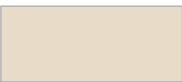

Walls in #F2EBDD, ceiling 1 shade lighter (#F8F4EC), trim 1 shade lighter again. This subtle gradient keeps ceilings reading as ceilings without harsh contrast - important for the double-height living area where ceiling shadows would otherwise be obvious.

3. Ground Floor Palette

Foyer

	Tobacco Brown	#7B5C42	Stone cladding - rustic ledgerstone
	Sandstone Beige	#C8B58F	Stone cladding accent stones
	Charcoal	#3A3633	Stone cladding accent stones
	Dark Walnut	#4A3526	Floating shelf - solid teak/walnut, oil finish
	Warm Amber 2200K	#FFB877	LED halo around screen

Living Area

	Warm Ivory	#F2EBDD	Main walls (washable matte emulsion)
	Warm Greige Stone	#B8A88F	TV feature wall (W) - microcement / travertine slab / matte stone
	Natural Teak	#8B6F4E	TV-side fluted panels, 18-24in wide
	Warm Ivory-Greige	#E8DCC8	Floor tiles 1200x1200mm matte porcelain
	Antique Brass	#B08D57	Sunken floor edge inlay 6mm strip
	Oatmeal	#D4C4B0	Sofa fabric - performance linen / chenille

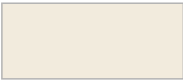

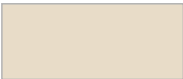

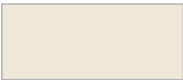

Living Cushion Accents (3 only)

	Muted Sage	#9CA68D	Cushion accent #1 - linen with texture
	Rust Ochre	#B5673E	Cushion accent #2 - velvet or boucle
	Charcoal	#3F3A35	Cushion accent #3 - linen weave

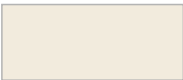

Dining Area

Same palette as Living - keeps the open zone visually unified.

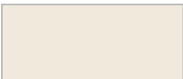

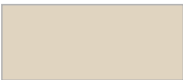

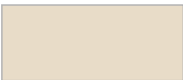

Master Bedroom (GF)

	Warm Ivory	#F2EBDD	Walls
	Warm Taupe	#A8967E	Headboard wall (accent)
	Walnut	#4A3526	Wardrobe shutters (mixed with cream) + bed frame
	Warm Cream	#E8DCC8	Wardrobe shutters - secondary panels
	Pale Linen	#EFE8DA	Bedding primary
	Olive Throw	#9CA68D	Bedding accent

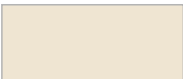

Pooja Room

	Warm Ivory	#F2EBDD	Walls
	Antique Gold	#C8A45C	Idol niche back - lime wash with gold mica or brass-leaf laminate
	Devotional Amber	#FFA85C	Niche backlight 2200K
	Burnished Teak	#6E5234	Pooja unit wood - traditional carved panels

Kitchen

	Off-white Subway	#F0E9DC	Backsplash - 100x300mm matte ceramic stack-bond
	Quartz Cream	#E0D4C0	Counter top - quartz / engineered stone
	Charcoal Matte	#3F3A35	Lower cabinet shutters - PU laminate on BWP ply
	Warm Cream Matte	#E8DCC8	Upper cabinet shutters
	Brushed Brass	#B08D57	Handles + hardware (consistent with bath fittings)
	Warm Greige R10	#C8B89C	Floor tile - 600x600mm matte porcelain anti-slip

GF Common Bathroom (locked - Light Luxury Spa)

	Warm Cream Marble	#EFE5D2	Wall tiles 600x1200mm matte porcelain
	Warm Greige R10	#C8B89C	Floor tiles 600x600mm anti-slip
			

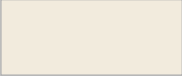

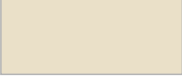

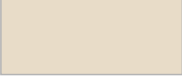

Walnut	#4A3526	Vanity cabinet - marine ply + matte laminate
--------	---------	--

Brushed Gold	#B08D57	All hardware - single brand throughout
--------------	---------	--

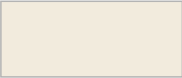

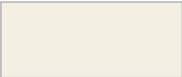

Natural Teak	#8B6F4E	Fold-down shower bench
--------------	---------	------------------------

4. First Floor Palette

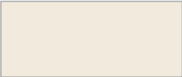

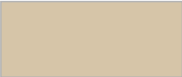

FF Living / Corridor

	Warm Ivory	#F2EBDD	Walls (same as GF base)
	Warmer Cream	#EAE0C8	Beam edge / cut-out - 1 shade warmer than ceiling
	Warm Ivory-Greige	#E8DCC8	Floor tiles 1200x1200 (continuous from GF)

Bedroom 1 (East - no false ceiling)

	Warm Ivory	#F2EBDD	Walls
	Soft Sage-Grey	#A8B0A0	Headboard wall accent - lime wash or fluted PU panel
	Walnut	#4A3526	Wardrobe shutters (mixed) + bed + study desk
	Warm Sage	#9CA68D	Curtain drape - 1.8x fullness
	Off-white	#F4EFE3	Curtain sheer - 2x fullness

Bedroom 2 (West - false ceiling, Warm Modern Luxe)

	Warm Ivory	#F2EBDD	Walls (3 walls)
	Travertine Cream	#D6C5A8	N wall (LOCKED) - Italian travertine, vein-cut, honed
	Travertine Veins	#A89878	N wall - veining colour reference
	Warm Taupe	#A8967E	Headboard wall (S) emulsion + walnut fluted panel
	Walnut	#4A3526	Wardrobe + bed + floating shelves
	Charcoal	#3F3A35	Curtain drape (velvet, blackout)
	Carbon Black	#1A1A1A	Aeron office chair (already chosen)
	Antique Brass	#B08D57	Desk lamp + standoff hardware

FF Toilets 1 + 2

Same palette as GF Common Bathroom for visual consistency. Hardware: brushed gold throughout.

Front Balcony

	IPE Wood-look	#6E5234	Floor tiles 200x1200mm porcelain R11 anti-slip
---	---------------	---------	--

Warm Taupe	#A8967E	Parapet inner cap
------------	---------	-------------------

5. Lighting Design

Each room has 4 layers : ambient + task + accent + decorative. Mix appropriately. Never use a single bright central light - it flattens the space.

Lighting Colour Temperature - Whole-House Standard

Zone	Temp	Visual	Why
Foyer screen halo	2200 K	warm amber	Welcoming, slightly intimate
Foyer + Living + Dining + Bedrooms	2700 K	warm white	Skin-flattering, premium
Pooja niche backlight	2200 K	warm amber	Devotional warmth
Kitchen	4000 K	neutral white	Task accuracy without coldness
All bathrooms	3000 K	warm-neutral	Slightly cooler - better grooming
Study spotlights (BR1+BR2)	3000 K	warm-neutral	Focus, not as cool as kitchen
Outdoor / staircase	3000 K	warm-neutral	Standard outdoor warm

>> Rule

Never mix colour temperatures inside a single visible space. Living + Foyer + Dining all see each other - all 2700 K. Kitchen is its own room - can be 4000 K. Bathroom is its own room - 3000 K is fine.

Best Lighting Selections - Per Room

Room	Decorative anchor
Foyer	Walnut shelf with under-shelf 2700 K LED + amber halo around screen
Living	Vertical cluster pendant in void - antique brass / champagne, 24-36in diameter, hung over coffee-table area
Dining	1x decorative pendant over dining table - warm 2700 K, drop to 2100 mm FFL
Kitchen	(no decorative - task only with under-cabinet warm LED)
MBR	Bedside table lamps with brass shades + 5W warm LED
Pooja	Niche backlight 2200 K behind brass-leaf or gold mica
BR1	Bedside lamp + ceiling COB
BR2	Brass desk lamp + walnut-shelf strips + bedside walnut lamp
Bathrooms	LED backlit mirror + IP44/IP65 downlights + niche LED

6. Materials & Finishes

Tiles - Whole-house spec

Zone	Tile	Size	Brand
Living + Dining + Foyer + MBR + Pooja	Warm ivory-greige marble matte	1200x1200	Kajaria Eternity / Somany Slimtec
Bedrooms (FF)	Same	1200x1200	Same
Kitchen + Utility floor	Warm greige R10 anti-slip	600x600	Kajaria/Somany
Bathroom walls (all)	Warm cream marble matte	600x1200	Kajaria Eternity / RAK
Bathroom floors (all)	Warm greige R10 anti-slip	600x600	Same
Front + W balcony	Wood-look porcelain IPE	200x1200 R11	Kajaria Vintage Wood
Kitchen backsplash	Warm cream subway matte	100x300	Local OK

Wood Tones (3 standard tones - whole house)

	Natural Teak	#8B6F4E	Existing windows + foyer shelf option + kitchen bar stools
	Dark Walnut	#4A3526	Bedroom wardrobes + bed frames + BR2 floating shelves + dining table
	Burnished Teak	#6E5234	Pooja unit + balcony flooring + BR1 study desk top

Accent Metals (whole-house)

	Brushed Antique Brass / Champagne	#C8A857	All bathroom hardware + kitchen handles + brass desk lamp BR2 + curtain rods
	Matte Black	#1F1B16	Step-edge L-profile (sunken floor) + exterior balcony railings + window frames

>> Rule

Pick ONE metal vocabulary per zone. Bathrooms = brushed gold. Kitchen = brushed brass. Exterior = matte black. Switch plates and modular frames stay one finish across the whole house - recommended champagne / brushed brass (Schneider Unica or Legrand Mylinec).

7. Furniture Brief (per room)

Living Area

L-shaped layout : long side along N wall (10-11 ft), return along E side (6-7 ft), pulled 5in off N wall to clear the curtain track. Two accent chairs on the open S side. Coffee table 48x28in or 42in round, travertine top. 10x13ft rug inside the sunken zone.

Dining

6-seater walnut-top table (6x3ft) with brass-clad legs. 6 walnut chairs with oatmeal upholstered seats. Sideboard 5-6ft along W wall.

Master Bedroom (GF)

King bed 78x72in with cream linen upholstered headboard, walnut frame. Bedside tables 22x16in in walnut. Wardrobes : 12 ft N wall + 12'3 W wall, walnut + matte cream split shutters. Dressing table 4 ft on E or S wall.

FF Bedroom 1

Queen bed 75x60in walnut, low-profile headboard. Bedside tables 18in round walnut. Wardrobe 8 ft, walnut + cream split. Study desk 4x2 ft. Window seat (S wall) optional.

FF Bedroom 2 (Warm Modern Luxe - work zone LOCKED)

Queen bed 75x60in walnut with cream linen upholstered headboard. N wall : 9 ft Italian travertine cladding (LOCKED), 2x 5 ft floating walnut shelves with under-shelf 2700 K LED, 4 ft height-adjustable walnut-top desk, monitor on articulating arm, Aeron chair (already chosen), 2x3 ft frameless glass writing board with brass standoffs, brass desk lamp.

Kitchen

L-shape, top-left corner. Lower cabinets BWP 18mm + charcoal matte PU laminate. Upper cabinets BWP + warm cream matte. Quartz cream counter. Off-white subway backsplash. Stainless undermount double-bowl 32x18in sink. Chimney 90cm auto-clean brushed black. Tall pantry 30in wide. Microwave + OTG niches at counter level. Refrigerator niche 30in.

8. Sanitaryware - Brand Picks

Recommended single brand for all 3 bathrooms : Jaquar Lighthouse OR Kohler Composed (brushed gold)

Sticking to one brand and one finish across all bathrooms ensures shade match and reduces purchase friction.

Item	Budget	Mid pick	Premium
WC + concealed cistern	Parryware / Hindware	Jaquar Continental	Kohler / TOTO
Basin	Parryware	Jaquar	Kohler
Faucets / mixers	Jaquar Continental	Kohler Composed / Jaquar Lighthouse	Grohe Essence (gold)
Shower head	Local	Jaquar	Hansgrohe
Concealed cistern	Geberit Sigma	Geberit Sigma	Geberit
Geyser	Bajaj 15L	Racold Eterno 15L	AO Smith 15L
Mirror (LED)	Local LED 600x800	Branded LED frameless	Custom

Geyser size and location (all 3 bathrooms)

All 3 bathrooms : 15 L geyser, mounted in attic / above lintel where applicable.

Bathroom Hardware Checklist (brushed gold throughout)

- ☐ Basin faucet - single lever, deck mount
- ☐ WC flush plate - in-wall cistern type
- ☐ Rain shower head - ceiling mount, 200mm round
- ☐ Handheld shower + sliding rail 1.2m
- ☐ Diverter / thermostatic valve
- ☐ Towel bar (600mm)
- ☐ Robe hook (behind door swing)
- ☐ Toilet paper holder
- ☐ Shower door handle (D-pull) OR fixed-panel (no door)

9. Curtains & Soft Furnishings

Curtain Standard (whole house)

Ceiling-recessed double aluminium track : sheer + drape. Sheer in off-white #F4EFE3 (2x fullness ripple fold). Drape in warm greige #A89F8C (1.8x fullness, dim-out lining). For bedrooms : drape becomes blackout. North living-window curtain : motorized strongly recommended due to height.

Rugs

Room	Rug	Size	Material
Living	Floor rug	10 x 13 ft	Low-pile wool, oatmeal/grey weave
Dining	Optional rug under table	6 x 9 ft	Flat-weave
MBR	Bedside runners	2 x 6 ft each	Wool dhurrie
BR1	Floor rug	5 x 8 ft	Wool
BR2	Floor rug	6 x 9 ft	Wool, charcoal/cream
Foyer	Optional runner	2 x 4 ft	Cotton dhurrie

Decor Rules

- LESS IS MORE. One large statement piece beats six small clutter items.
- 1 large indoor plant per room (areca palm, fiddle leaf fig, rubber, snake plant, ZZ).
- Art : ONE large piece in the living, ONE in MBR, ONE in dining. Max 3 framed photos in any single sightline.
- Pillows : max 4 per sofa, mix of plain + texture + 1 accent.
- Books on coffee tables : 3-5 books in a small stack, never sprawling.
- Candles, vases, brass figures : group in odd numbers (1 or 3, never 2).
- AVOID : tassels, fringes, very ornate frames, religious posters in living/foyer (pooja room is the right place).

10. Avoid List (Whole House)

These colours and materials are NOT used anywhere - they fight the palette or look cheap at scale.

- X Stark cool white (#FFFFFF) - looks hospital-clean, kills warmth
- X Cool blue-grey walls - fights the teak windows
- X Glossy laminate on any visible surface - makes everything look cheap
- X High-gloss white tiles - glare in the double-height room is unpleasant
- X Strong contrast veining (black, gold, red) - fights with teak, dated in 5 years
- X More than one feature wall in any contiguous open space
- X Three different wood tones in the same room
- X Mixing brass and chrome hardware in the same room
- X Saturated colours on anything bigger than a cushion or vase
- X Tassels, fringes, ornate frames
- X Religious posters / calendars in living or foyer

11. Sample Procurement Checklist

Do this BEFORE any bulk order. A Rs 500 sample saves Rs 50,000 in re-do.

- [] Paint sample pots : #F2EBDD (Ivory Touch), #F8F4EC (Snow Storm), #A8967E (taupe), #9CA68D (sage) - paint 2x2 ft, view 3 times of day
- [] Tile samples : 1x full 1200x1200 living + 1x 600x1200 bath wall + 1x 600x600 floor - on actual floor in actual daylight
- [] Wood samples : walnut + teak + burnished teak laminates side-by-side under 2700 K bulb + natural light
- [] Stone slab samples : TV wall greige + BR2 travertine - bring home, view all times of day
- [] Hardware sample : 1x brushed-gold faucet handle + 1x champagne-brass cabinet handle - confirm shade match
- [] Curtain fabric : 12x12in swatch of sheer + main drape - drape in actual window for an evening
- [] Accent metal : 1x modular switch plate sample in champagne - confirm against bath fittings

12. Vendor Cheat Sheet

One-shot list of who to contact for what. Fill in phone numbers as you go.

Category	Vendor	What to ask for
Paint	Asian Paints / Berger / Dulux dealer (Chitradurga)	Fan-deck match for each hex code
Tile premium	Kajaria / Somany / RAK (Bangalore showroom)	Warm ivory-greige marble 1200x1200 matte
Quartz / stone	Stone Studio / Classic Marbles (Bangalore)	6x6in samples brought home
Hardware	Hettich / Hafele showroom (Bangalore)	Brushed brass / champagne D-pulls
Sanitaryware	Jaquar showroom OR local Plumber's Choice	Jaquar Lighthouse OR Kohler Composed (gold)
Modular switches	Schneider / Legrand authorised dealer	Schneider Unica champagne (whole house)
Wood / laminate	Greenply / Century / Merino	Walnut laminate + cream matte laminate
CCTV / cameras	I Secure India, Chitradurga (CONFIRMED)	Hikvision DS-2CD2143G2-LU + others
Curtains / blinds	Local interior tailor + motor	D'Decor / Marshalls fabric source
Furniture custom	Local carpenter; Pepperfry / Wooden Street for high-end	BWP carcass + matte laminate

13. Rough Quantities & Budget Pointers

Treat this as a *budgeting* take-off, not a contractor BOQ. Contractor will measure on site.

Item	Approx qty	Notes
Tile 1200x1200 (living continuous)	100 sqm	Living + dining + foyer + bedrooms + pooja
Tile 600x1200 bathroom wall	70 sqm	All 3 bathrooms
Tile 600x600 floor	30 sqm	Bathrooms + kitchen + utility
Tile 200x1200 wood-look	25 sqm	Both balconies
Paint premium emulsion	200 litres	Whole house interior + primer
Paint exterior	50 litres	Exterior face only
Plywood BWP 18mm	50 sheets	All built-ins
Laminate matte	60 sheets	All built-ins
Curtain fabric (sheer + drape)	80 metres	All windows
Cove LED strip 24V 2700K	30 metres	All cove zones
Recessed COB downlights	35 nos	Whole house
GU10 spots	20 nos	Foyer + bedside + study spots

Budget Pointers (rough order-of-magnitude)

Bucket	Estimated cost
Tiles + grouting + waterproofing	Rs 4 - 6 L
Paint (interior + exterior + labour)	Rs 1.5 - 2 L
Furniture (built-ins + loose) - whole house	Rs 8 - 12 L
Sanitaryware + bath fittings (3 baths)	Rs 2 - 3 L
Lighting + fittings	Rs 1.5 - 2 L
Curtains + soft furnishings	Rs 1 - 1.5 L
Kitchen modular (counter + cabinets + appliances)	Rs 3 - 5 L
TOTAL INTERIOR (rough envelope)	Rs 21 - 31 L
Electrical (separate, tracked in materials-checklist.md)	Rs 3.7 - 4 L
GRAND TOTAL FIT-OUT	Rs 25 - 35 L

14. Sign-Off

By signing below, the homeowner confirms the colour palette, finish direction, and furniture brief described in this document. The interior contractor uses this as the primary brief and refers back here for any colour, finish, or material question.

Brief acceptance:
